

2023 Agriculture Scholarship

Bucklin Tractor & Implement is honored to continue supporting local high school seniors who are pursuing a degree in an ag related field. Winners will be awarded \$1,000 scholarships paid to their institution.

Eligibility:

- Current high school senior residing in Kansas
- Cumulative GPA of 3.0 or higher
- Pursuing a degree in an ag related field

Application Process Dates:

- Applications open February 1, 2023
- Applications will close April 5, 2023
- All applicants will be notified by April 21, 2023
- All winners will receive award certificates prior to graduation.

Application:

At BTI we value having high integrity and ethical standards in addition to a strong commitment to our families and our communities.

Applicants will submit a 500-700 word essay articulating how they've demonstrated these characteristics in their personal life and how they anticipate demonstrating them in the next chapter of their life.

In addition to the essay, applicants will need to submit:

- One letter of recommendation. (These can be from a teacher, counselor, coach, mentor or employer).
- A current resume.
- An unofficial high school transcript.

Applications can be submitted at: www.btiequip.com/--scholarship

Selection Criteria:

- Priority will be given to students who reside in the Bucklin, Great Bend, Greensburg, Hoxie, Ness City, Pratt areas.
- Winners will be asked to provide high school transcripts, proof of post secondary enrollment and proof of ID.
- Identifying information will be removed from applications prior to review and selection by our internal scholarship committee.
