What is the West Kingman County Education Foundation: The WKCEF is known primarily for awarding scholarships to graduates and alumni. Generous sponsors of the community provide donations to the foundation, students fill out the foundation scholarship applications and then that sponsor money is gifted to those students. This past year the foundation has approved over \$21,000.00 in scholarships to Cunningham High School students and has awarded over \$261,000.00 to students since being established in 2000.

The WKCEF has also provided or contributed to other school projects which include: books for summer, guest speakers, drinking fountains, picnic tables, outdoor playground equipment, field trips, stage curtains, gym mats, a buddy seat, etc. to mention a few.

The foundation was organized specifically for educational purposes for the benefit of U.S.D #332 and its students and alumni.

How you can help: A sponsorship is \$100.00 and secures your name on a banner which is displayed in the gymnasium. The foundation is a 501(c)3.
